.....

Dear Recipient,

Did you know that many families whose breadwinner has just lost his or her job before Christmas are often out of luck in our community and around the world? We have recently launched our annual food drive for Christmas, and we are writing to ask for your support. Our goal this year is **250 meals**.

Christmas is quickly approaching and we are busily preparing to help the needy during the holidays. We rely on donations from generous individuals and institutions to fund our endeavor and help affected individuals.

The deadline for submission is **October 31, 2011**

The advertising campaign is scheduled for **November 15, 2011**

Exclusive!

- * **Access to 10,000+ potential customers**
- * **You can start with minimal funds**
- * **Connect to something beyond your products and services**

Act now! Make a contribution to our campaign? Thank you for any help you can provide and any amount that you are able to share will help us move closer to our goal.

Sincerely,

Daniel Simon, Eng.,MBA,CMO
